

LFC Primer A DVD:

Chapter Maxim Corrections To Match With Primer A v. 3.0 -- 3.2

In the 3.0 – 3.2 versions of the *Latin for Children, Primer A*, several Chapter Maxims have been rearranged to better correspond with the vocabulary and grammar lesson being taught in certain chapters. This, however, presents an inconsistency with three chapters on the DVD, and this correction sheet can be used while watching the lessons on the DVD.
